CATEGORISATION NOTE:

A: Rapid formalisation consisting of full services, formal housing and formal tenure.

B1: Earmarked for incremental upgrades with essential services which will eventually lead to formalization or other permanent less formal solutions.

B2: Deferred relocation with emergency services. Relocation will occur when and if a suitable relocation site is obtained and developed.

C: Requiring immediate relocation due to serious health and safety threats which may not be adequately mitigated in the short term through basic service provision.
